You are cordially invited to the 2015 annual spring meeting of the NCCMP Lawyers’ and Administrators’ Advisory Group. We will continue with a full-day format, once again featuring discussions with government officials and technical specialists in the morning, while preserving time for discussion of issues important to you, but which may not be addressed in the formal agenda in the afternoon. Continental breakfast and lunch will be provided and is included in the registration fee. Consistent with recent years, the 2015 meeting will be held at the Almas Shrine Temple in Washington DC. We will distribute all meeting materials on USB flash drives that we will hand out to attendees. Wi-fi service will also be available with a link to agenda material.

As in past years, representatives of various government agencies and departments will discuss their regulatory priorities and their expectations for the coming year. We have invited speakers from the DOL, IRS, PBGC and Treasury.

This year’s preliminary agenda has the following highlights:

- A detailed review of the Multiemployer Pension Reform Act of 2014 (MPRA)
- A discussion of the Requests for Information issued by Treasury and the PBGC on how to implement the MPRA
- An update on efforts to enact proposed legislation on new plan designs
- An overview of benefit implications of tax reform proposals in the 114th Congress
- The current status of issues related to the Affordable Care Act (ACA), including:
